Accessing Yammer at Penn State through WebAccess

Beginning on January 29, 2013, Yammer at Penn State is accessed by logging into WebAccess with your Penn State Access Account user ID and password at http://yammer.psu.edu.

This document explains the simple procedure of logging into Yammer through WebAccess using the web browser of your choice.

Go to http://yammer.psu.edu and click on the blue Log In graphic.

After you click on the Log In graphic you will be redirected to the Penn State WebAccess screen.

Enter your PSU User ID and Password in the appropriate fields and click Log In.
You will need to accept the Penn State usage policy the first time you sign in to Yammer. No other action will be required on your part to complete the transition.

No further action is required. You should be logged in to Yammer.

Please post any specific questions that you have in the Yammer Users Group so that they may be addressed directly.

If you are unable to log in to post a question in the Yammer Users Group, please submit a support ticket at http://ask.psu.edu/yammerpsu.html.
